MAIN ROOM

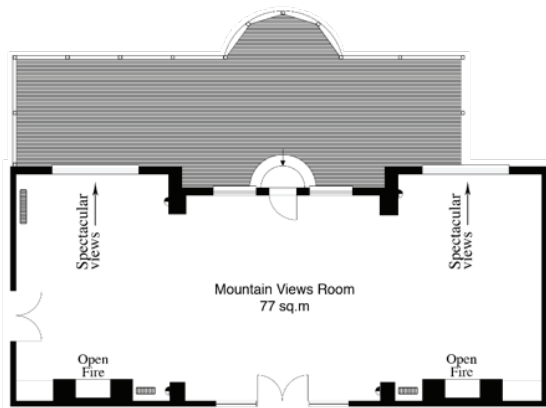

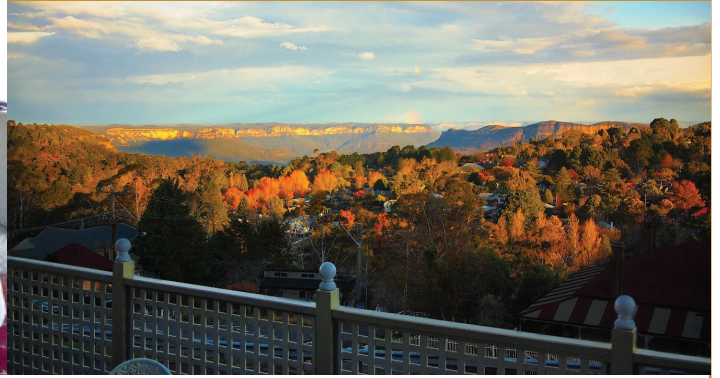

TOWER ROOM

The power room epitomises nostalgic charm with its lead-light operable windows and ornate ceiling details.

MOUNTAIN VIEW ROOM

The best of everything in one. Large enough to fit 70 people while still feeling intimate. The Mountain View Room has a relaxed atmosphere with open fireplaces, and large windows overlooking the Jamison Valley.

GLENVIEW ROOM

The Glenview Room has views to the south over the Jamison Valley and beyond. Private and discreet, it's ideal for small meetings or as a breakout room. The room features natural lighting, operable windows for fresh air and is column free.
